

## Job Vacancy – Stone Processor

Cotswold Natural Stone (CNS) is an established, growing company with an enviable reputation among clients and the construction/stone industry. We are a small, dynamic team who pride ourselves on a high level of customer service and quality.

We are looking to recruit Stone Processors to join our team at our Grange Hill Quarry, Naunton, Gloucestershire. These are full-time positions, Monday to Friday with incentives schemes in place for extra production. You will be working alongside other Stone Processors within a covered facility reporting to the Quarry Manager.

### **Role/responsibilities**

- Stone processing using a guillotine with rock presented by conveyor

### **Experience/qualifications desirable**

- No specific experience required - full training will be required

### **Attributes**

- Positive self-starter
- Use to manual work

### **Environment/location**

- Fast paced business, part of a £10M group
- Quarry environment
- Brand new production facility and welfare

**Hours:** 40hrs/week - extra hours often requested

**Rates of pay:** Piece work following initial training period (~2 week)  
Exceptional earning potential
